You're choosing a dedicated Design Team that will transform your vision into a beautifully crafted reality.

You're choosing a knowledgeable and attentive Customer Service Team that will manage your project with professionalism, care, and clear communication – from start to finish.

You're choosing a manufacturer using the latest technology to build your custom storage solution to exact standards, ensuring superior quality every step of the way.

You're choosing a highly skilled and experienced Installation Team that delivers precision workmanship and attention to detail in every project.

You're choosing a company committed to the environment. Our factory has 377 solar panels to help reduce our carbon footprint, we recycle materials like glass and aluminium, and we only use board products certified under the Australian Forestry Certification Scheme.

You're choosing peace of mind with a 10-year guarantee on all materials and workmanship.

When you choose Flexi Robes, it's *Easy!*

# CLASSIC

## *Hinged*

The classic hinged wardrobe is one of our most popular wardrobes.

Perfectly placed either side of a fireplace or pride of place in a main bedroom. We have a range of door profiles to suit your home.

Hinged door wardrobes provide optimal access for one or more users at the same time. With Blum™ soft close technology, our hinged door wardrobes are a delight to use over and over again.

# CLASSIC *Sliding*

Sliding doors are the perfect solution where space is limited. With our Australian made heavy duty rolling wheels our doors are easy to use. Any style door can be designed to match your homes period features.

Whether it's Victorian, Federation, Farmhouse or Contemporary we have a door style to suit. We also have many door routing patterns to choose from ensuring the period style flows seamlessly through your home.

# MODERN

## *Hinged*

Flexi Robes offer a large range of contemporary style hinged doors. For the full range see the 'Wardrobe Range' available through Polytec™

We can build hinged door wardrobes using a full carcass (fully lined) or as a built-in wardrobe using your existing walls as the back and side of the wardrobe.

All our doors are installed using soft closing Blum™ hinges and we have a stylish range of handles and knobs to choose from.

Hinged doors are well suited where more overhead storage in your laundry or home office is required.

Talk to one of our Design Consultants about your next hinged door project, they can advise on our large range of design options.

# MODERN *Sliding*

Our modern styles of sliding doors are available in many popular Polytec™ colours and finishes. We can offer this range with an aluminium frame in a variety of colours or as a 16mm sliding door. We also produce a range of framed or frameless sliding doors in Mirror, Grey Tint Mirror, Black, White and Super White Glass.

Sliding doors are a very popular solution in modern homes where hinged doors use up valuable floor space.

Talk to us about retrofitting sliding doors into your existing hinged door opening.

# INTERNALS & WALK-IN *Wardrobes*

A well-designed walk-in wardrobe or custom wardrobe internal is the first step to truly organising your clothing – and once everything is in its place, your day starts off on the right foot.

Whether you need a layout tailored for one person or shared by a couple, our team can design the perfect solution. From wardrobes packed with corporate wear to collections inspired by a gym lifestyle or a dream shoe collection – we've got you covered.

Our experienced Design Consultants will create a wardrobe tailored to your needs, with the ideal mix of long and short hanging, shelving, and drawer configurations.

Need a stylish solution for your sunglasses and jewellery? Ask us about our black velvet-lined jewellery inserts, specially designed to fit our large standard drawers.

At Flexi Robes, we believe great storage is the cornerstone of a well-organised home. That's why our bespoke wardrobes and storage solutions go far beyond the bedroom.

Whether it's decluttering your living space or transforming your work-from-home setup, our custom designs are tailored to your lifestyle.

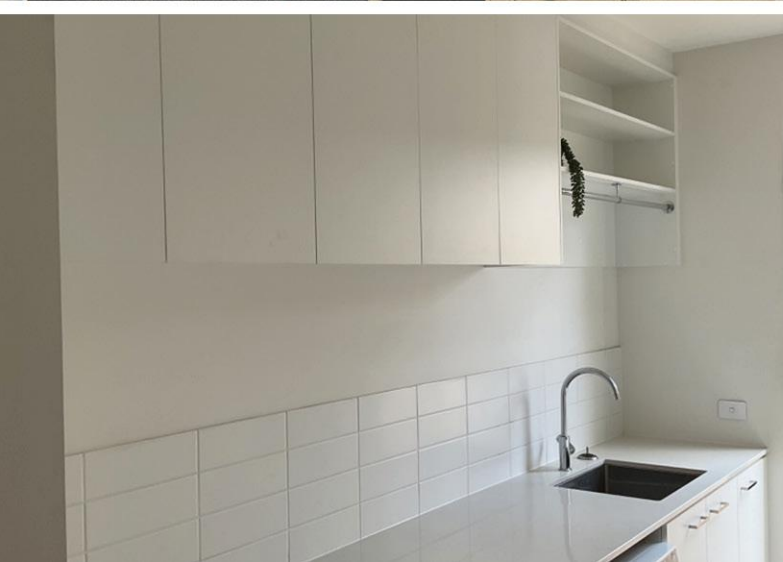

From clever shelving and sleek cupboards to fully integrated compartments, our solutions are designed to maximise every inch of your space – no matter the room.

- Laundry and linen closets
- Pantries
- Home offices
- Entertainment units and bookshelves
- Garage storage
- And more...
